Center for Mobility Equity

The Center for Mobility Equity, (formerly Central Maryland Regional Transit) is a 501(c)3 organization founded in 1987, provides transportation information to over 300,000 people annually throughout Maryland. Their Travel Training Program empowers individuals with disabilities, students, Veterans, and older adults to explore fixed-route transportation options, understand their rights under the Americans with Disabilities Act, and more fully participate in their communities.

The Transportation Resource Information Point (TRIP) is a one-call, one click transportation information center that provides a multitude of resources for Maryland, found at mdtrip.org and 877-331-TRIP(8747)

The Center for Mobility Equity works with regional partners such as human service agencies, employment centers and transportation agencies. They provide a support system to those looking to learn about the greater transportation network to become regular riders in the region.

Humanim

Through strategic risk taking and a proactive approach, Humanim has over 40 diverse but interconnected programs and services. They are a master of many trades to ensure they meet their mission. Whether they are engaging a 5-star hotel to be their communities hiring arm or building their Baltimore headquarters in a disinvested community, the scope of HUMANIM projects is creating economic opportunity, catalyzing self-empowerment, and simply having people's backs.
